Section 2.6.17: No Lot shall be split, divided or subdivided for sale, resale, gift, transfer or otherwise after acquisition from the Developer. Developer, however, hereby expressly reserves the right to replat any Lot(s) owned by the Developer.

Section 2.7 – Restrictions of Other Documents

Nothing contained in this Article II shall preclude the imposition of more stringent restrictions imposed elsewhere in this Declaration, restrictions imposed on Lots, restrictions imposed in deeds conveying the Property or portions thereof and restrictions imposed by the Architectural Review Committee so long as such restrictions are not inconsistent with restrictions created by the Developer or the Association. The City is a third party beneficiary of these covenants and restrictions; provided, however, if the City zoning, building or other requirements of ordinances and general law are more restrictive than these covenants and restrictions, the City requirements shall prevail.

Section 2.8 – Maintenance

By virtue of this easement, it shall be expressly permissible for the Developer and the Association and their successors and assigns, or the providing utility or service company, to install and maintain facilities and equipment on the Property provided that such facilities shall not materially impair or interfere with any Living Units and provided further that any areas disturbed by such installation and maintenance are restored to substantially the condition in which they were found. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utility service lines or facilities for such utilities may be installed or located except as approved by the Developer or the Architectural Review Committee or unless the same are shown on a recorded plat. There is hereby created a non-exclusive easement upon, across, over and through any sidewalks, walkways, bike paths and all-purpose trails in favor of Developer and the Association, all Owners, Occupants, and their respective guests, licensees and invitees for pedestrian and vehicular ingress and egress, as the case may be, to and from all of the various portions of the Property. Notwithstanding the foregoing, the Developer and/or the Association may limit this right of ingress and egress by an Amendment to this Declaration.

Section 3.3 – Easements for Enjoyment

Developer, every Owner and Occupant and the guest of such parties shall have a right and non-exclusive easement of use and enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- a) the right of the Association to suspend the voting rights and right to use of the recreational facilities (if any) by an Owner for any period during which any assessment against his Lot remains unpaid and for any infraction of Association rules;
- b) the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as

may be agreed to by the Board of Directors of the Association (the "Board"). No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been signed by two-thirds (2/3rds) of the members of the Association ("Members") and has been recorded with the Summit County Recorder.

Section 3.4 – Easements for Construction, Alteration, etc.

Easements are hereby created upon portions of the Common Areas necessary in connection with the construction, alteration, rebuilding, restoration, maintenance and repair of any Living Unit or other structures and improvements within the Property or serving the Property; provided, however, that in the exercise of any rights under this easement, there shall be no unreasonable interference with the use of any Living Unit or other structure or improvement on the Property. Any Person benefiting from the foregoing easement shall indemnify and save harmless the Developer, the Association and each Owner and Occupant from and against any and all losses, damages, liabilities, claims and expenses, including reasonable attorneys' and paralegals' fees resulting from any such construction, rebuilding, alteration, restoration, maintenance and shall repair any damage caused in connection with such activities to substantially the condition that existed prior to such activities.

Section 3.6 – Drainage Rights and Authority to Transfer Drainage and other Easement Rights to City

The Developer, each Owner, the Association, the City and County shall have the non-exclusive right and easement in common to utilize the waterways, courses, storm sewers, drainage pipes and retention basins, if any, in, over and upon the Common Areas for the purposes of drainage of surface waters on the Property, said rights-of-ways and easements being hereby established for said purpose. It shall be the obligation of the Association to properly maintain, repair, operate and control such drainage system on the Common Areas unless those easement areas are accepted by the City and/or County or other governmental authority having jurisdiction by formal action of the City and/or County. No Person shall interfere with the free flow of water through any drainage ditches or storm sewers on or within the Property.

Section 3.7 – Easements for Community Signs

BUILDING DESIGN STANDARDS

Section 7.1 – Design Standards and Building Restrictions

All Living Units on the Property shall conform to the following standards and restrictions:

- (b) Retaining walls in cut situations are permitted and shall be constructed with the approval of the Developer or the Architectural Review Committee.
- (c) Subject to any other restrictions of record, the rear yard on wooded lots must remain as much as possible in its natural state.
- (d) Patios shall not be permitted in the front yard unless approved by Developer and the Architectural Review Committee. Patios shall be permitted in the rear yard without prior approval, however, all decks shall require approval by Developer and the Architectural Review Committee.
- (e) Garage location shall be determined by Developer and the Architectural Review Committee and garage doors shall be of one color per Living Unit.
- (f) Yard and security lights shall be of a design approved by Developer and the Architectural Review Committee. Lights are designed to light walks and drives. Emergency flood lights for security are permitted provided they are located so as to not disturb adjacent Owners.
- (g) No vents shall be placed on the "front" half (50%) of the roof area of a Living Unit, regardless of roof slope or shape. Flashing and vents shall be painted the same color as the roof, or black.
- (h) No exposed concrete block foundation, including split face concrete block, shall be permitted on any Living Unit or Lot. For Lot 1 and Lots 42 through and including Lot 68 within the Property, a poured concrete stamped foundation is permitted on the side and rear elevations. A brick or stone band is required on the front elevation. On Lots 2 through and including Lot 41, a brick or stone band is required on all elevations and stamped poured concrete foundations are prohibited. For Living Units with walk-out basements on Lots 2 through and including Lot 41, brick or stone shall be required on all exposed elevations (foundation or otherwise) which are: (i) lower than the brick or stone band on the front elevation of the Living Unit; and/or (ii) would otherwise be below grade were it not for the walk-out basement. It shall not be permissible to have framed and/or sided exposed foundations.
- (i) Only those types of mailboxes as installed by the Developer, or authorized by the Developer for initial installation, will be permitted. Mailbox location will be determined by the United States Postal Service. No additions to the original mailboxes will be permitted. All replacements of mailboxes shall be uniform and duplicate in appearance to the size, type, color and location of the mailboxes installed by the Developer (or authorized by the Developer for initial installation) and shall be approved by the Architectural Review Committee. (j) On Lot 1 and Lots 42 through and including Lot 68, roofs shall have a minimum pitch of 6/12 with asphalt dimensional shingles or other approved high quality roofing products. (k) Each Living Unit is to be pre-wired for cable TV. Cable TV will be provided underground adjoining each Lot.

(l) No more than two main wall colors and two main materials on any building unless approved in writing by Developer or the Architectural Review Committee.

Proposed trees and locations must be shown on the site plan. For Lot 1 and Lots 42 through and including Lot 68 within the Property, a minimum of one (1) tree, at least 1-1/2" trunk diameter, per Lot are required on non-wooded Lots, in addition to trees provided by Developer along streets. Proposed trees and locations must be shown on the site plan and must be in compliance with all City rules and regulations.

(o) Repainting of any existing Living Unit with a color other than previously approved shall require approval of Developer or the Architectural Review Committee.

(p) All builders are required to keep on record with Developer a 24 hour emergency phone number.

Section 7.2 - Building Materials, Details and Directions

All materials used (roofs, walls, etc.) on a Living Unit should be compatible with each other and blend together with a common tone. Accent colors are acceptable if used carefully to add detail and highlight architectural features. The following materials guidelines apply to construction on the Property:

(a) Wood Siding: Four and eight inch clapboard, rough or smooth finish; channel rustic boards; v-joint tongue and groove boards; vertical board and batten; wood shingles; all with semi transparent stains are recommended. Paint is allowed, but does require more maintenance than stain and is not considered as desirable as stain.

(b) Vinyl or Aluminum Siding: Permitted.

(c) Brick: Natural sand molded brick is preferred. "Manufactured" sand mold and textured brick may also be used. Color ranges should be subtle with no dark brown, speckled or glazed brick permitted. Brick detail in chimneys, sills, entry steps and foundations are encouraged. Exposed single depth of brick or stone at building corners is not permitted.

(d) Stone: Natural stone laid in a natural horizontal bed is preferred. Rubble and roughly squared stone is felt to be aesthetically more pleasing because of its natural quality than square cut dimensional or ashlar stone. Native Ohio limestone in gray or buff is recommended.

(e) Stucco: Natural, hand finished, or sand textured are the preferred finishes; scratches, splashes and artificial textures are discouraged. Stucco colors must blend with other colors.

(f) Other Materials: Use of other man made materials is permitted if they are painted to blend with other natural materials. The use of wrought iron and other decorative ornamentation must be approved by Developer or the Architectural Review Committee.

(g) All sides of a Living Unit should be finished with the same materials, or with compatible materials that blend with one another. Termination of masonry front facade materials shall be at inside building corners and at second floor roof overhangs. Where front facade masonry turns an outside corner to the side of the Living Unit, masonry must continue to the next break in the building facade; rear corner of side wall; or terminate to a carefully designed detail of architectural element (faux column, window bay, etc.) as approved by Developer or the Architectural Review Committee.

(h) For Lots 2 through and including Lot 41 within the Property: windows should be carefully selected and proportioned to enhance walls in which they are placed; windows are required on all major walls including walls facing side yards; all windows to be wood or vinyl clad wood; the same window type must be used on all sides of the home; and, muntins should only be used in traditional homes. For Lot 1 and Lots 42 through and including Lot 68 within the Property: windows should be carefully selected and proportioned to enhance walls in which they are placed; windows are required on all major walls excluding walls facing side yards; windows may be solid vinyl and need not be the same window type on all sides of the home; and muntins may be utilized.

(i) For Lots 2 through and including Lot 41 within the Property: brick or stone masonry exterior chimney construction is required; exposed pre-fab fireplace flues and fireplace "bump outs" are prohibited on all elevations; and, all fireplaces shall have a masonry foundation. For Lot 1 and Lots 42 through and including Lot 68 within the Property: a vinyl fireplace chase is permitted so long as it has a brick, stone or poured and stamped concrete foundation. Exposed pre-fab fireplace flues and fireplace "bump outs" are prohibited on all elevations.

(j) The Owners shall, within three (3) months of occupancy of their Living Unit, construct on said Lot a sidewalk which shall be four feet (4') wide, four inches (4") deep, constructed of concrete (six sack limestone mix) and meet the specifications of the City and County and shall span the width of the Lot and connect with the sidewalk constructed on adjoining Lots on each side of their Lots.

Section 7.3 - Start of Construction; Requirements of Completion

Construction shall be completed no later than twelve (12) months after construction was commenced. Landscaping shall be complete no later than one hundred eighty (180) days after completion of construction. Lots purchased, but on which construction has not commenced, must be mowed not less than once every thirty (30) days during the growing season.

Section 7.4 - Streetlights

Developer shall provide streetlights. The cost of operation and maintenance of the lights shall be shared equally by Lot Owners and such costs shall be assessed as provided in Article IX.

ARTICLE VIII

ARCHITECTURAL REVIEW COMMITTEE

Section 8.1- Power of Committee

There is hereby created an Architectural Review Committee for the purpose of architectural and engineering control to secure and maintain an attractive, harmonious residential community. The Developer shall function as and grant all approvals provided for herein until the Developer conveys the last Lot the Developer owns in Spring Hill Allotment except that the Developer may elect to delegate and assign such duties and responsibilities to the Committee prior to that time. The Committee appointed by the Developer need not be made up of members of the Association. After control of the Architectural Review Committee has been transferred to the Association, the Committee shall be composed of not less than three (3) individuals appointed by the Board of Directors to serve at the Board's pleasure. A vote of the majority of members of the Committee shall be required to constitute the decision of the Committee.

Section 8.2 - Operation of Committee

No Living Unit or Lot shall be constructed, altered, modified or changed in any way which changes the exterior or the appearance thereof, nor shall any Living Unit be rebuilt, nor shall an addition be made, or deck added or modified, to a Living Unit, nor shall any grading be changed unless an application, plans and specifications for the proposed alteration, modification, change or addition shall have been submitted to and approved in writing by the Committee. All construction, alterations, modifications, changes and additions to a Living Unit must comply with local building and zoning ordinances, rules and regulations. In order to insure that Living Units and improvements will have a uniform high standard of construction, and that Spring Hill Allotment will be comprised of high quality Living Units, Developer and the Architectural Review Committee reserve the right to reject all such plans and specifications as aforesaid for any reasonable grounds, including, but not limited to aesthetic reasons. Developer and the Architectural Review Committee shall approve or disapprove such written submission or application for approval, in writing within thirty (30) days after its receipt of the same, and a failure by Developer or the Architectural Review Committee to so act within said thirty (30) day period shall constitute denial of the submitted plans.

Section 8.3 – Inspection

The Architectural Review Committee may inspect work being performed with its permission to assure compliance with this Declaration and applicable regulations. The presence of Developer, or its agent or representatives, or a member of the Architectural Review Committee, or an agent thereof, on any Lot shall not be deemed a trespass so long as the presence is in furtherance of said member's duties as a member of the Architectural Review Committee.

Section 8.4 – Violations and Remedies

Should any Living Unit be altered, constructed, or an addition be made thereto within the Lot, or related improvements be reconstructed or removed from or upon any Lot, or should the use thereof be modified in any way from the use originally constructed or installed without first obtaining prior written approval of the Developer or Architectural Review Committee as provided in this Article VIII, such act shall be deemed to be a violation of this Article VIII and this Declaration. Any party violating this Article VIII shall, immediately upon the receipt of written notice of such violation from the Developer or Architectural Review Committee, cease and desist from the commission of any such act and immediately commence to take such steps as will alleviate or remedy any such condition of default and shall continue with all due diligence thereafter until the satisfactory completion of same. Should the party committing such act in contravention of this Article VIII fail to immediately take such remedial action as aforesaid, then and in such event, the Association shall have the right, but not the obligation, in addition to any and all other rights or remedies available to it at law or in equity, each of which remedies shall be deemed nonexclusive, to do any of the following:

- a) Abate Violation. Cause its agents and employees to enter upon the Lot and/or the Living Units for the purpose of summarily abating any such use and/or removing any such building or structure or other improvement.
- b) Seek Injunction. Apply to a court having jurisdiction over the Property for the purpose of obtaining an injunction directing the violating party to abate any such use and/or removing any such building or structure wherever located within the Property.
- c) Seek Reimbursement. Seek full and complete reimbursement from any party committing any of the aforesaid acts in contravention of this Article VIII, of any costs, damages and expenses (including without limitation court costs, attorneys' and paralegals' fees, litigation costs, and costs to collect such sum) incurred by the Association with respect to its exercise of any of its rights for the purpose of remedying any such condition of default.
- d) Treat as Assessment. Should the party committing any acts in contravention of this Article VIII be an Occupant and should such Occupant fail to immediately pay the full amount of all costs, damages, and expenses referred to in above, the Association shall be entitled to treat such amount as an Assessment against the Lot of which such Occupant is or was the Owner, a member of the Owner's family or a guest or invitee of such Owner.

Each such Assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to his successors in title unless expressly assumed by them. Developer shall have no obligation to pay assessments for unsold Lots owned by Developer. As further provided in the Code, payment of the Assessments for a Lot shall not commence until the earlier of: (i) transfer of title of such Lot to the Owner by the builder of the Living Unit; or (ii) the occupancy of a Living Unit as a residence, whether occupied by the builder or by a third party.

Such initial working capital contribution shall be in amount established by the Developer and shall not be refundable to the Owner or any party for any reason, including, without limitation, upon the resale of the Lot. amend or modify any of the provisions of this Declaration or to waive any of the provisions, either generally or with respect to particular real property, if in its judgment, the development or lack of development of the Property requires such modification or waiver, or if in its judgment the purposes of the general plan of development of the Living Units will be better served by such modification or waiver, provided no such amendment, modification or waiver shall materially and adversely affect the value of existing Living Units or shall prevent a Living Unit from being used by the Owner in the same manner that said Living Unit was used prior to the adoption of said amendment, modification or waiver. To modify the Declaration in accordance with this subsection, Developer shall file a supplement to this Declaration setting forth the Amendment, which supplement need not be but shall, at Developer's request, be executed by the Association and all Owners of real property within the Property. Each such Owner, by accepting a deed to his or her Living Unit or other real property, hereby appoints Developer his attorney-in-fact, coupled with an interest, to execute on his or her behalf any such amendments. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Developer and/or to the Board to vote in favor of, make, or consent to an Amendment on behalf of each Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting any portion of the Property and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of the rights of the Developer to vote in favor of, make and record an Amendment. Section 4. Special Meetings. The President of the Association may call special meetings. In addition, after the Turnover Date, it shall be the duty of the President of the Association to call a special meeting of the Association if so directed by resolution of a majority of a quorum of the Board or upon a petition signed by holders of at least one-fourth (1/4th) of all of the votes of the Class A membership. (a) President: The President shall preside at all meetings of the Board; shall see that orders and resolutions of the Board are carried out; shall see that orders and resolutions of the Board are carried out; shall sign all leases, deeds, and other written instruments and shall co-sign all checks and promissory notes.

Article VIII **Committees**

Section 1. Appointment of Committees. The Board shall appoint an Architectural Review Committee, as provided in the Declaration, and a Covenants Committee, as provided below in this Code of Regulations. In addition, the Board shall appoint other committees as deemed appropriate in carrying out its purpose.

Article IX
Finances of Association (Assessments)

Section 1. Preparation of Estimated Budget. On or before December 15 of each year, the Board shall estimate the total amount necessary to pay the Assessments referred to in the Declaration together with a reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements, and the amounts, if any, which may be received from special assessments, concessions, contracts for special services and facilities, and other sources. The Board shall notify each Member in writing as to the amount of such estimates. The failure of the Board and/or Association to comply strictly with the above time requirements shall not be deemed to be a waiver and shall not prevent the Association from collecting Assessments. The net of the aggregate amounts of such estimates (herein called the "**Estimated Cash Requirements**") of the next calendar year shall be assessed to those Members required to pay the Assessments according to and as specifically set forth in the Declaration. Each Member required to pay Assessments shall pay to the Association or as it may direct, the Assessment made pursuant to this Section on a date set by the Board and the Board may elect to collect annual Assessments semi-annually, quarterly, or monthly, in advance. The Board shall furnish to all Members an itemized accounting of the expenditures for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, by special Assessments, or otherwise, and showing the net amount over or short of the actual expenditures plus reserves. Any amount accumulated in excess of the amount required for actual expenses and reserves shall be credited to the last maturing monthly installments due from the Members under the current year's estimate, pro rata. Any net shortage shall be added pro rata to the next installment due after the rendering of the accounting.

Notwithstanding the provisions of this Section 1, the Board shall have the authority to establish payment of Assessments monthly, quarterly or semi-annually (rather than annually).

Section 2. Reserve for Contingencies and Replacements; Special Assessments. The Association shall build up and maintain a reasonable reserve for contingencies and replacements. Extraordinary expenditures not originally included in the annual estimate which may be necessary for the year, shall be charged first against such reserve. If the "Estimated Cash Requirements" proves inadequate for any reason, including nonpayment of any Member's Assessment, the deficiency and any extraordinary expenditures in excess of the reserves therefor shall be assessed to the Members required to pay assessments, pro rata. The Association shall also make any necessary or desirable special Assessments, from time to time which shall be payable at the time or times the Board deems necessary or desirable. The Board shall serve notice of such further Assessments on Members required to pay Assessments, by a statement in writing giving the amount and reasons therefor, and such further assessment shall be payable by the date and upon the terms stated in the notice, which date shall be not less than ten (10) days after the delivery or mailing of such notice of further Assessment. Each party purchasing a Lot from Developer shall deposit with the Association, at the closing of his or her purchase, such sum as may be required by Developer as the new owner's initial contribution to the working capital of the Association. Such Contribution shall be non-refundable.

Section 3. Failure to Prepare Annual Budget. The failure or delay of the Association to prepare or deliver to a Member any annual or adjusted estimate shall not constitute a waiver or release in any manner of such Member's obligation to pay his share of the Assessments, as herein provided, whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, the Member required to pay Assessments pursuant to the Declaration shall continue to pay the current charge at the existing rate established for the previous period until the Association mails or delivers notice of the new payment due as a result of the determination of the new annual or adjusted estimate.

Section 4. Books and Records of the Association.

(a) Inspection by Members and Mortgagees. The Declaration and Code, membership register, books of account, and minutes of meetings of the Members, the Board, and committees shall be made available for inspection and copying by any mortgagee, Member of the Association, or by his or her duly appointed representative at any reasonable time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within the Property as the Board shall prescribe.

(b) Rules for Inspection. The Board shall establish reasonable rules with respect to:

- (1) notice to be given to the custodian of the records;
- (2) hours and days of the week when such an inspection may be made; and
- (3) payment of the cost of reproducing copies of documents requested.

(c) Inspection by Members of the Board. Every Member of the Board shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a Member of the Board includes the right to make extracts and copies of documents at the expense of the Association.

Section 5. Status of Funds Collected by Association. All funds collected hereunder shall be held and expended solely for the purposes designated herein and (except for such special Assessments as may be levied hereunder against less than all of the Members and for such adjustments as may be required to reflect delinquent or prepaid Assessments) shall be deemed to be held for the use, benefit and account of all Members required to pay Assessments pursuant to the Declaration.

Section 6. Depository. The depository of the Association shall be such bank or banks and/or such savings and loan association or savings and loan associations and/or such money market fund(s) as shall be designated from time to time by the Board and in which the monies of the Association shall be deposited. Withdrawal of the monies from such accounts shall be only by check signed by such persons as are authorized by the Board.

Section 7. Annual Review. The books of the Association shall be reviewed once a year by the Board and such review shall be completed prior to each annual meeting. If requested by a majority of the members of the Board, such review shall be made by a certified public accountant.

Section 8. Remedies for Failure to Pay Assessments. If an Owner shall be in default in the payment of any of the aforesaid Assessments, the Association shall have all of the remedies set forth in the Declaration, in this Code or at law or equity to collect such Assessments and all costs associated therewith.

Article X **Indemnification**

Each member of the Board and each officer of the Association, and each former member of the Board and former officer of the Association, shall be indemnified by the Association against the costs and expenses reasonably incurred by him or her in connection with the defense of any pending, threatened or completed action, suit or proceeding, criminal, civil, administrative, or investigative, to which he or she is or may be made a party by reason of his or her being or having been such member of the Board or officer of the Association (whether or not he or she is a member or officer at the time of incurring such costs and expenses), unless such Board member or officer (or former Board member or officer) failed to act in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal proceeding, he or she had no reasonable cause to believe his or her action was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement or conviction shall not create, of itself, a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, a presumption that the person had reasonable cause to believe that his or her conduct was unlawful. The determination of whether the Board member's or officer's conduct failed to qualify for indemnification shall be made either by (1) the opinion of independent counsel selected by the Association, (2) by a majority vote of the disinterested members of the Board of the Association, or (3) a majority vote of the disinterested members of the Association. The phrase "disinterested members" shall mean all members of the Board or of the Association other than (i) any member of the Board or officer of the Association who is a party to or threatened with such action, suit or proceeding; (ii) any corporation or organization of which such member of the Board or officer referred to in (i) above owns of record or beneficially ten percent (10%) or more of any class of voting securities; (iii) any firm of which such member of the Board or officer referred to in (i) above is a partner or member; and (iv) any spouse, child, parent, brother or sister of any such member of the Board or officer referred to in (i) above. The foregoing rights of indemnification shall inure to the

benefit of the heirs and legal representatives of each such member of the Board or officer and shall not be exclusive of other rights to which any member of the Board or officer may be entitled to or granted pursuant to Section 1702.12(E) of the Ohio Revised Code, as a matter of law, or under the Declaration, Articles, this Code, any vote of Association members or any agreement.

Article XI
Amendments to this Code of Regulations

After the Turnover Date, this Code of Regulations may be amended, at a regular or special meeting of the members, by a vote of a majority of a quorum of Members present in person or by proxy, provided, however, if the Developer applies for approval of the Federal Housing Administration or the Veterans Administration for mortgage financing then in that event, the Federal Housing Administration or the Veterans Administration shall have the right to veto amendments while there is a Class B membership.
